RETRO UI GAMER

Presentation Template

Take a look at the complete deck here at www.behance.net/kchio

Description

This PPT Presentation template has a retro look with cute colors and UI gaming details that create a fun and creative style, all slides have dynamic layouts, an editorial, and a bold style. With a total of 38 slides, this is a perfect deck for start-up, editorial, design companies, unique pitch decks, or any creative and lively presentation. It includes several layouts that will help you communicate your ideas with a strong design. Easy to use, it has many image placeholders, layout examples, and exclusive template shapes that you can place anywhere in the slides.
